

# Mt. Angel School District 91

Code: **FA**  
Adopted: 9/13/04  
Readopted: 9/13/10  
Orig. Code(s): FA

## Facilities Development Goals

To provide and maintain facilities, within budgetary guidelines, that offer the best possible physical environment for learning and working, the Board aims specifically toward:

1. Providing buildings and renovations that will accommodate and facilitate those new organizational and instructional patterns that support the district's educational philosophy and instructional goals;
2. Meeting all safety requirements through the remodeling of older structures;
3. Providing building renovations as needed to meet state and federal requirements on the accessibility and usability of facilities to persons with disabilities;
4. Building design, construction and renovation that will allow low maintenance costs and the conservation of energy.

The Board will gather and analyze appropriate data to evaluate the district's facilities needs on a long-range basis. Such data will include, but not be limited to, enrollment projections, anticipated changes in the instructional program, analysis of community building plans, analysis of sites and evaluation of present facilities.
