Student Organizations

The district encourages curriculum-related student organizations. District staff will facilitate such organizations and district resources may be used to support them. The district may also support student organizations which are not directly curriculum related.

The principal will develop general guidelines for student organizations. Among other provisions, such guidelines will require the assignment of at least one faculty advisor to each student organization, however, staff will not be compelled to attend a meeting if the content of the speech is contrary to that person's beliefs. If the content of such a club's meetings is religious in nature, school staff may attend only in a nonparticipatory manner.

Voluntary student-organized clubs not curriculum-related may meet on school premises during non-instructional time pursuant to the provisions of the Equal Access Act and to the terms of this policy.
