Promotion, Retention or Assignment of Students**

Students who cannot demonstrate proficiency in each subject area, or who are not making adequate progress towards demonstrating proficiency at their grade levels, will be considered for retention. Teachers must notify the principal and student services team (SST) of these students. The principal, SST and teacher will make a recommendation concerning their promotion/retention or assignment and hold a conference with parents. Parental decisions will be final, but when the parents' decision is not in agreement with the school's recommendation, parents must sign a "release from responsibility" form to be placed in the student's file.
