Disposal of District Property

All equipment, furniture and/or materials procured with district funds shall be considered district property. When district property becomes excess to a school or department's current needs, the property shall be made available to other schools or sites within the district. If no other school or department of the district requests the property, it may be declared surplus by the Board and sold by public sale. Where property is declared surplus and the Board determines it to be in the public interest to dispose of that property by means other than public sale, the Board may designate an alternative method of disposal. Property that cannot be sold by public sale may be declared of no value and discarded. No person involved in declaring property surplus may later come into possession of the property.
