(Appeals Procedure for Identification and Placement)****

The Board has established an appeals process for parents to utilize if they are dissatisfied with the identification process and/or placement of their student in the district program for talented and gifted (TAG) students and wish to request reconsideration. The district's desire and intent is to reach satisfactory solutions during the informal process:

Informal Process

1. The parents shall contact the school TAG teacher to request reconsideration;
2. The TAG teacher shall confer with the parents and may include any additional appropriate persons, e.g., principal, counselor, teacher, etc. At this time, information pertinent to the selection or placement shall be shared;
3. If an agreement cannot be reached, the parents may initiate the Formal Process.

Formal Process

1. Parents shall submit a written request for reconsideration of the identification/placement to the director of curriculum instruction;
2. The director of curriculum instruction shall acknowledge in writing the receipt of the request within five working days and shall forward copies of the request and acknowledgment to the TAG teacher;
3. The director of curriculum instruction, TAG teacher and other appropriate staff shall review the student's file and earlier decisions within 10 working days of the original request. Additional data may be gathered to support or change the earlier decision;
4. Parents may be provided an opportunity to present additional evidence;
5. If deemed necessary, a formal hearing shall be conducted by the district hearings officer utilizing the appropriate procedures;
6. A decision shall be made within 20 working days after receipt of the written request for reconsideration. The parents shall be notified of the decision in writing and the decision shall be forwarded to the superintendent;
7. The decision may be appealed to the superintendent;
8. If parents are dissatisfied they may appeal to the Board;

9. If the parents are still dissatisfied, an appeal to the State Superintendent of Public Instruction following the procedures outlined in the Oregon Administrative Rules (OAR) may be used. The district shall provide a copy of the appropriate OAR upon request.
