Alcohol/Controlled Substance Use

The following conduct is strictly prohibited and will subject an employee to immediate discipline, up to and including termination:

1. The buying, selling, transportation, possession, provision or use of intoxicants, including alcohol, or any controlled substances as defined by law while on district property, during work hours (including meal periods), while assigned to extra duty or special projects, including those held after or in addition to regular school hours and while driving between work sites during the work day in either a district-supplied vehicle or a vehicle supplied by the employee;
2. Reporting for work under the influence of alcohol, intoxicants or any controlled substance. An individual is considered to be “under the influence of alcohol, intoxicants and/or a controlled substance” when, in the district’s determination based upon testing conducted by and interpreted by trained medical personnel, the controlled substance, alcohol or intoxicant is at a level that it may impair the individual’s ability to safely and/or efficiently perform assigned work or prevent the employee from presenting a positive role model to students.

The administration will develop appropriate regulations, procedures, consent forms and such notifications as are needed for an orderly implementation of this policy.
