Purchasing Authority

Purchase orders for necessary supplies, services and equipment will be authorized only by the superintendent or deputy clerk. No purchase will be authorized unless covered by an approved purchase order, nor will bills be approved for payment unless purchases were made on approved purchase orders.

The superintendent is authorized to issue purchase orders without prior approval of the Board where formal bidding procedures are not required by law and when budget appropriations are adequate to cover such obligations.

The deputy clerk will review bills due and payable for the purchase of supplies and services to determine if they are within budget amounts. After appropriate administrative review, the deputy clerk will direct the payment of just claims against the district. The superintendent and deputy clerk are responsible for the accuracy of all bills and vouchers.
