

Support Services Goals

The Board recognizes that business operations are essential, yet ancillary and auxiliary, to the education function of the school system. It is the intention of the Board through its support services functions to:

1. Ensure proper operation and maintenance of school buildings, vehicles, equipment and services; set high standards of safety; promote and protect the health of students and staff; and support the efforts of staff to provide good instruction;
2. Encourage through the superintendent and staff the establishment of efficient and businesslike procedures for management of buildings and grounds, office equipment, vehicles, supplies and the food program;
3. Encourage the establishment of a thorough, effective and economical maintenance program, including preventive maintenance, that will ensure a maximum useful life of school property, vehicles, buildings and equipment;
4. Encourage adherence to generally accepted management principles and to conform to applicable laws and regulations.
