

Use of Automated External Defibrillator (AED)

As the district has made an automated external defibrillator (AED) available for emergencies, the following conditions must be met prior to its use:

1. The district nurse will maintain an inventory of district owned AED devices; including their maintenance and deployed locations.
2. The District Nurse will coordinate with individual school sites to assure adequate staff training is provided.
3. The AED must be stored in a location from which the AED can be quickly retrieved during school hours. The presence and location of each AED must be clearly indicated.
4. Maintenance use and storage of the defibrillator will be in compliance with any applicable state and or federal laws.
