## Student Meal Charges

A nutritious school meal may be purchased by any student at North Marion School District. Families who cannot afford these meals are encouraged to apply for federal free and reduced cost meals. This can be done by calling (503) 678-5835 or (503) 982-9887.

The school district offers this service to students because we feel that a "nutritious" meal is very beneficial and contributes to the learning ability of students.

"Students may not charge any meal at any time, grades K-12. Students will be served a peanut butter sandwich if they do not have lunch money available."
