Construction Contracts - Bidding and Awards

The Board will serve as its own contract review board.

The Board will advertise and award contracts for construction or renovation of facilities according to the provisions of state law and Board policies: DJ, DJC, DJCA as amended and the administrative rules developed by the superintendent to implement said policies. Pre-qualification of bidders may be required by the district.

Contractors shall be registered as required by Oregon law.

For every contract for which a bond is required, a bond with good and sufficient sureties will be required of the contractor. The purpose of the bond is to assure:

1. The obligations of the contract are faithfully performed;
2. Payment is promptly made to all persons supplying labor or materials to the contractor or subcontractor for the work provided in the contract;
3. All contributions for workers' compensation and unemployment insurance are made promptly;
4. All sums required to be deducted and retained from the contractor's and subcontractor's employees' wages are paid.
