

North Marion School District 15

Code: **IGBCA**
Adopted: 4/08/91
Readopted: 10/10/94
Orig. Code(s): 7441.10

At-Risk Student Program

Procedures will be developed to consistently identify "at risk" students within the district prior to referring such students to special education for assessment and possible placement. Pre-referral procedures should result in an intervention to address the problem and a means of collecting data to determine the effect of the intervention. Pre-referral procedures should be in place at each school site and involve a multi-disciplinary team approach.
