Graduation Exercises

Because the Board believes that completion of the requirements for a diploma, a modified diploma, extended diploma or alternative certificate from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Accordingly, appropriate graduation programs may be planned by the Principal on the date selected by the superintendent or designee.

The district's valedictorian(s), salutatorian(s) or others at the discretion of the principal or designee may be permitted to speak as part of the district's planned graduation program. All speeches will be reviewed and approved in advance by the principal or designee.

All students in good standing who have successfully completed the requirements for a senior high school diploma, a modified diploma, extended diploma or alternate certificate may participate in graduation exercises.
