

Infection Control - HIV, AIDS, Hepatitis B

The district shall use standard precautions at all times for infection control. Each staff member or student is therefore treated as though an HIV, AIDS or Hepatitis B infection exists.

The district shall develop an exposure control plan that includes infection control procedures for staff and students.

Procedures for staff and students shall include annual in-services; first-aid kits in each school room and each school vehicle; correct procedures for cleaning up body fluid spills and for personal cleanup.
