

Board Member Development

The complexity of Board membership demands opportunities for professional development for Board members. The Board places a high priority on the importance of a planned and continuing program of professional development for its members.

In order to develop leadership capabilities, become informed about current issues in education, and improve their skills as members of a policy-making body, Board members will participate in opportunities for professional development that may include, but are not be limited to, the following:

1. Professional development activities planned by the Board and by the administration for staff members, as appropriate;
2. Participation in conferences, workshops and conventions held by state and national school Boards associations and other educational organizations;
3. Subscriptions to publications addressing Board member related topics.

Recognizing the need for continuing training and professional development of its members, the Board encourages the participation of all members in appropriate conferences, conventions and workshops. To control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance:

1. The superintendent will inform Board members, in a timely manner, of upcoming conferences, conventions and workshops. The Board will decide which meetings appear to produce the greatest benefit to the Board and the district;
2. Funds for participation at such meetings will be budgeted. When funds are limited, the Board will designate which members to participate at a given meeting;
3. If authorized to attend, and reimbursement is approved by the entire Board, Board members will be reimbursed, upon request, for reasonable and necessary expenses actually incurred;
4. When a conference, convention or workshop is not attended by the full Board, those who do participate will be requested to share, by means of written or oral reports, information, recommendations and materials acquired at the meeting.
