

## **Staff Expense Reimbursement**

Expense reimbursement for staff traveling on approved district business will be governed by the following procedures. Travel expenses include travel fares, meals and lodging and expenses incident to travel. Only travel expenses as are ordinary and necessary in the conduct of approved travel for district business purposes and directly attributable to it will be reimbursed. As used in this regulation an “ordinary” expense means one that is common and accepted in the profession; a “necessary” expense means one that is essential and appropriate in order to conduct district business.

### **In-District Travel - Use of Private Vehicles**

1. Staff will use district-owned vehicles, whenever possible, in conducting district business that requires travel within district boundaries.
2. Private vehicles may be used in conducting district business only with prior administrative approval. In-district travel approval may be granted by the administrator for individual trips or by blanket approval, as deemed appropriate.
3. Travel in a private vehicle for the purpose of conducting district business may be approved when:
  - a. A district vehicle is not available;
  - b. The destination is not conveniently accessible by commercial carrier;
  - c. Various points must be visited and commercial carrier schedules are such that the use of commercial carrier transportation is not practical;
  - d. Carrying articles by commercial carrier would not be feasible;
  - e. Commercial travel is deemed to be less economical.

### **Out-of-District Travel (In-state) – Use of Private Vehicles**

Staff will use district-owned vehicles, whenever possible, in conducting approved district business that requires in-state travel outside district boundaries.

Private vehicles may be used only with prior superintendent approval. Out-of-district travel approval may be granted by the superintendent for individual trips or by blanket approval, as deemed appropriate.

### **Out-of-State Travel**

Out-of-state travel requires prior superintendent approval.

## **Insurance Coverage**

1. Insurance costs are included as part of the mileage reimbursement for employees authorized to use a private vehicle to conduct district business. It is the responsibility of the owner or driver of the vehicle to be certain that the vehicle is adequately covered by insurance.
2. The responsibility of the district for damages resulting from vehicle accidents is not the same as set forth in the district's general liability insurance policy. The employee's insurance coverage provides primary coverage when the employee is driving his/her own vehicle on approved district business.
3. All district employees operating private vehicles on approved district business are required to complete and maintain on file with the district verification of vehicle liability insurance that meets or exceeds Oregon statutory minimum limits. This verification is required annually. Employees are required to update their verification of vehicle liability information maintained on file with the district upon **any** change in the employee's vehicle insurance coverage.

## **Meals and Meetings**

1. Reimbursement will be made for ordinary and necessary meal expenses incurred in the course of approved travel for district business. Meals include amounts spent for food, beverage, taxes and related gratuities. The district will not reimburse alcoholic beverages. See **Expense Reimbursement Request and Accounting Procedures** below.
2. Expenses in excess of the district's established limit are ordinarily the responsibility of the employee and may be reimbursed only with superintendent approval. Receipts for all meal expenses must be secured and attached to the claim.

## **Travel Advances**

1. A travel advance may be requested when the estimated cost for meals, lodging, etc. exceeds \$100. The travel advance may be requested by completing the form provided by the district.
2. The cost of commercial travel tickets will not be included in a cash advance request.
3. In the event of a loss, the employee is personally responsible for cash advances issued and for any third party use of a district-provided credit card.
4. At least 15 working days are required for processing an advance check after the business office receives the approved request.
5. Only one cash advance may be outstanding to any employee at any time.

## **Reservations, Commercial Carrier and Lodging**

1. Travel must be conducted in the most expeditious and cost-effective manner, as determined by the district.

2. Each employee is responsible for making his/her own reservations by obtaining a purchase order number from the business office and furnishing that number to the local travel agency or commercial carrier.

### **Personal Travel Combined with District Business Travel**

1. If an individual traveling on approved district business engages in both business and personal activities, travel expenses incurred will be reimbursed only for expenses that are ordinary and necessary in the conduct of district business. Expenses incurred as a part of personal business are the sole responsibility of the traveler.
2. When personal travel is combined with approved district business travel and the individual is traveling by less than the most expeditious and cost-effective manner, any additional costs must be paid by the traveler.
3. Time away from work caused by traveling by less than the most expeditious means available for personal purposes must be charged to vacation or other appropriate leave.
4. Vacation or other personal leave may be taken in conjunction with approved district travel subject to the following:
  - a. Time delays related to approved district business are charged as working time even if no work is performed;
  - b. If the employee travels by less than the most cost-effective manner, as determined by the district, for approved district business or for personal travel combined with travel for district business purposes, he/she must pay the additional cost (e.g., increased fare, meals, lodging expenses, etc.) incurred as a result of the personal travel;
  - c. All subsistence and local transportation (e.g., taxi, vehicle fare, etc.) while on vacation status or other appropriate leave must be paid by the employee;
  - d. The traveler will not be required to pay any of the basic transportation costs incurred as a part of the approved district business, even though he/she spends a substantial part of the total time away from home on vacation or other personal leave, provided the employee was traveling on approved district business;
  - e. A traveler who decides on his/her own to conduct district business without prior approval, while on vacation or other personal leave, cannot then use this as a justification to have the district pay his/her basic transportation cost from the district to the location visited, or submit a request for other expense reimbursement.

### **Expense Reimbursement Request and Accounting Procedures**

1. Reimbursement requests detailing actual expenditures must be submitted on the district's travel expense form and approved by the superintendent in writing. Receipts and supporting documentation must accompany all expense reimbursement requests. This includes, but is not limited to, receipts for transportation, lodging, meals, registration, conference and workshop fees.
  - a. If the completed travel expense reports totals less than the travel advance, the difference must be returned within 10 working days to the business office with the report.

- b. Reimbursement for expenditures in excess of a travel advance, or where no travel advance has been requested, will be made within 30 working days after the business office receives the approved travel expense report.
2. Any claim for mileage reimbursement only may be submitted at the end of each month in which reimbursement is to be claimed. A claim must be submitted no later than 90 calendar days of incurring the expense. Reimbursement claims later than 90 calendar days of the expense will be denied.
3. Mileage for approved district business travel in a private vehicle will be reimbursed at the current rate per mile established by the district, collective bargaining agreement or Internal Revenue Service (IRS), as applicable. Reimbursement that exceeds the IRS rate will be included as income to the employee in accordance with IRS regulations.
4. Meal expenses for approved district business travel purposes may be reportable as income to the employee in accordance with IRS regulations. Generally, meal expenses incurred for approved district business purposes in which district business is conducted with at least one or more other persons or that is incurred on approved district business for a trip that is overnight, or long enough that the individual needs to stop for sleep or rest to properly perform his/her duties, as defined by the IRS, will not be reportable as income to the employee.
5. In the event the total of the amount charged to, and/or received from, the district by the employee as advances, reimbursement or otherwise, exceeds the ordinary and necessary business expenses, the excess must be reported as income in accordance with IRS requirements.

**Reimbursable Expense Limitations**

1. Meal expenses may be reimbursed subject to the following limitations:
 

Allowance:	Breakfast \$8.00	Lunch \$10.00	Dinner \$18.00
------------	------------------	---------------	----------------
2. Other expenses such as toll charges, parking fees, valet services, cleaning, pressing and laundry may be reimbursed if length of trip or circumstances demand.
3. Mileage reimbursement for actual miles traveled on district business, may be approved subject to the following limitations:
  - a. In-district mileage reimbursement will not be granted to an employee, other than a district-approved tutor, for traveling from his/her residence to the place where work begins for the day or for returning home from the last place worked during the day;
  - b. Reimbursement will be made only for those miles actually traveled in the course of completing approved district business. When chauffeured, mileage for two round trips and short-term parking will be reimbursed if not greater than the cost of one round trip plus economy parking;
