

### **Use of School Musical Instruments**

Powder Valley School has a limited number of musical instruments for student use. Students will be assessed a \$25 use fee at the beginning of the school year for any elective music class. Upon return of the instrument, if it does not need repairs or attention from misuse, the \$25 deposit will be returned. If an instrument in a student's possession is damaged, the deposit will be used to repair the instrument. If an instrument is stolen, lost, or damaged beyond repair, students will be responsible for replacement of the instrument.

Recipients of school instruments will verify condition of issued instrument at the time they take possession. Records will be kept on the student instrument registration form. Deposits for instruments should be paid prior to October 15th of each year. If this causes an undue hardship arrangements can be made.
