

**North Santiam  
School District**

Code: **CN**  
Adopted: 7/01/96  
Readopted: 8/21/97

**Assignment of Additional Duties or Work Periods for Certificated Administrators**

If an administrator is required by the superintendent to work additional days beyond the contract period, the administrator shall be compensated at the per diem rate. The additional contract period shall not exceed five additional work days.

Administrators may accept outside consulting opportunities providing it is not during the regular school hours, and neither a conflict of interest with the District nor detract from the performance of the administrator in his or her duties during the contracted work year.

END OF POLICY
