Budget Hearing and Adoption

After the annual budget is approved by the budget committee, the Board shall meet at the time and place designated in the notice of meeting, as required by statute, for the purpose of holding a public hearing on the budget document as approved by the budget committee. At that meeting any person may speak for or against any item in the budget document.

After the public hearing on the budget and any modification of the budget deemed necessary, the Board will approve the proper resolutions to adopt and appropriate the budget. The Board will further determine, make and declare the ad valorem property tax amount or rate to be certified to the assessor for the ensuing year, and itemize and categorize the ad valorem property tax amount or rate, as provided in ORS 310.060.

The superintendent will ensure all necessary documentation is submitted to the county assessor's office as required by the Local Budget Law.
