School District**

Code: **DFGA**
Adopted: 9/21/00
Readopted: 8/20/09

Associated Student Body(ASB) Accounts

An accounting system for the student body funds of each school shall be maintained at each school and reported to the District's administrative offices.

Student activity funds are defined as those funds which include all monies raised or collected by or for school approved student groups. Student activity money shall be collected and expended for the benefit of those students enrolled in school who have generated the accumulation of such funds towards supporting co-curricular activities. Students shall determine how the funds are to be expended.

The Superintendent shall specify responsibilities and procedures for the administration of student activity funds.
