**Emergency School Closure**

When it becomes necessary to close school or alter the usual schedule due to bad weather or other emergencies, staff will be notified via a calling system to be established at the beginning of the year.

Closing will be announced to the public by specified radio stations.

In the event the school will utilize a delayed opening, the public will also be notified by radio regarding the starting time.

Early dismissal of school for emergency or other reasons may be authorized by the superintendent/designee.

Students, parents and staff members will be notified yearly regarding the procedures for emergency closure.
