Energy Conservation

The North Santiam School District encourages and supports an energy conservation and education program to substantially lower consumption of electricity, natural gas, gasoline, and water. It will be the responsibility of each district employee and student to participate in conservation efforts in order to reduce consumption to levels prescribed by state and federal guidelines while maintaining programs. It is the responsibility of district administrators, through the Superintendent's office, to implement, direct, monitor, evaluate, and report district energy conservation efforts.
