Tutoring for Pay

It is the policy of the Board that teachers are not to solicit tutoring for remuneration any students whom they have in class. However, the administration may request a teacher to tutor a student in their class. No tutoring for which a teacher receives a fee will be allowed in a school building or on school time.

Exceptions to this policy are as follows:

1. Private lessons, such as music lessons and other enrichment activities, which are clearly beyond the scope of the regular curriculum, may be given for remuneration outside of school time and away from school buildings.
2. Teachers may tutor for remuneration outside of normal school hours students eligible for home-bound services, according to procedures established by the Superintendent.
