

Student Fund-Raising Activities

All student fund raising must be approved by the principal or designee and supervised by the appropriate adviser.

Fund-raising projects involving the sale of products must also be approved by the activity sponsor and by the principal, before the activity is initiated. Solicitation of funds is expressly prohibited without the principal's consent.

Where funds are to be raised through an outside agency or contracted activity, the activity must receive prior approval from the principal. Activities that include fund raising for charitable or other causes not relating to school activities, must obtain prior approval from the principal.

If fund raising consists of selling food and beverage items to students during the regular or extended school day, the food and beverage items must comply with state and federal nutrition standards, rules and laws. This does not apply to food and beverage items sold at school-related or nonschool-related events for which parents and other adults are a significant part of the audience.
