District Student/Athletic/Activities Participation

The Board and Administration of North Santiam School District 29J welcome the participation of its students. A student will be allowed to participate in an athletic or other activity at another school within the District if the following criteria are met:

1. The student is attending a school within the District and legally resides within the attendance boundaries of North Santiam School District 29J.
2. The school which the student attends does not offer the particular activity in which the student will participate.
3. The student meets all District eligibility requirements, e.g., grade level, minimum GPA, purchase of student body card, physical requirements, parent permission, insurance verification, and adherence to all team rules. The student shall be required to fulfill the same team responsibilities and standards of behavior and performance as other members of the team or squad and comply with all applicable school requirements during the time of participation.
4. The student's transportation is provided by the student's parents or guardian.
