Intra-District Transfers

Students have a right to attend the neighborhood school within the District designated attendance areas. This right does not supersede the District's right to place students at another neighborhood school when overcrowding exists or when a different placement is considered to be in the best interest of students. The District will honor parent or guardian requests for Intra-district student transfers outside their neighborhood attendance area in accordance with District regulations. Approved students transfers will be effective until revoked or the student withdraws from the school.
