

### **Supervision of Students\*\***

The Board expects students to be supervised when they are in school, traveling under school auspices or engaging in school-sponsored activities. School personnel assigned this supervision are expected to act as prudent adults in providing for the safety of students in their charge.

In keeping with this expected prudence, no teacher or other staff member will leave his/her assigned group unsupervised except in an emergency situation when other arrangements have been made.

After school-sponsored activities, students who want to leave the district's supervision may do so only into the custody of parents or other authorized persons.
