Fund raising by non-school agencies or for non-school activities during school hours, on school property, will not be permitted without prior approval of the superintendent and/or principal.

Students and staff are to be protected from intrusions by announcements, posters, bulletins and communications of any kind from individuals and organizations not directly connected with the schools.

The administration of surveys, questionnaires and requests for information by non-school-connected organizations are disallowed as a general rule. Exceptions may be approved by the building administration.

Demonstrations of services or materials and canvassing of students or any school employee for the purpose of selling products or services shall not be permitted in wither the district's schools or on school grounds, unless authorized by the superintendent and/or principal.

No commercial advertising is permitted in school buildings or on school grounds except that relating to school functions and having the approval of the building administration.

No non-district-sponsored organization or individual may solicit funds or sell tickets on school property without first securing permission through the superintendent and/or principal.

The district will not participate in any fund-raising, which is not consistent with board policy.

The solicitation and sale of travel services to students is prohibited. This includes sale of services to students by any person or group that sells, provides, furnishes, contracts for, arranges or advertises travel services.
