Nondistrict Revenue for Student Activities

The Board authorizes the use of nondistrict funds for student activities, including athletics, when the following conditions are met:

1. The school activities remain solely and totally under the direction and control of the district with full authority to act as the sponsor under Oregon School Activities Association (OSAA) rules and to comply with pertaining federal and state laws, administrative rules and district policy governing student activities;
2. The nondistrict revenue source does not represent any vested interest that stands to make any pecuniary or personal gain from association with the student activities program;
3. The nondistrict revenue is available in sufficient time of the first occurrence of the activity;
4. The nondistrict revenue sources and sponsors agree not to place any vested interest demands on the district, the staff, including coaches or the students;
5. All nondistrict revenue will be handled according to the Local Budget Law;
6. Any unexpended funds generated by nondistrict sources will remain with the district and cannot be returned or diverted to other uses;
7. Activities sponsored by the district will be allowed to operate with nondistrict funding;
8. The district will set minimum funding levels for adequate operation of all activities.
