Staff Expense Reimbursement

Expense reimbursement for staff traveling on approved district business will be governed by the following procedures. Travel expenses include travel fares, meals and lodging and expenses incident to travel. Only travel expenses as are ordinary and necessary in the conduct of approved travel for district business purposes and directly attributable to it will be reimbursed. As used in this regulation an “ordinary” expense means one that is common and accepted in the profession; a “necessary” expense means one that is essential and appropriate in order to conduct district business. Reimbursement procedures established by the district will also apply to Board members traveling on Board-approved district business, as applicable. Expense reports must be submitted to the business office within 60 days of the last month for which the reimbursement is being requested.

In-District Travel – Use of Private Vehicles

1. Staff will use district-owned vehicles, whenever possible, in conducting district business that requires travel within district boundaries.
2. Private vehicles may be used in conducting district business only with prior approval from the employee’s appropriate supervisor (i.e., principal, maintenance supervisor, transportation supervisor, food service supervisor, chief financial officer, human resources director, special education director or superintendent).
3. Travel in a private vehicle for the purpose of conducting district business may be approved when:

A district vehicle is not available.
4. The superintendent may approve a flat rate for vehicle allowance if he/she deems it to be in the best interest of the district. An employee may not claim reimbursement for local mileage while receiving a flat rate vehicle allowance.

Out-of-District Travel (In-state) – Use of Private Vehicles

1. Staff will use district-owned vehicles, whenever possible, in conducting approved district business that requires in-state travel outside district boundaries.
2. Private vehicles may be used only with prior approval from the employee’s appropriate supervisor (i.e., principal, maintenance supervisor, transportation supervisor, food service supervisor, chief financial officer, human resources director, special education director or superintendent).

Out-of-State Travel

Out-of-state travel in excess of 100 miles requires prior Board approval. If expenses are incurred prior to Board approval, and the Board does not give approval for the out-of-state travel, no expenses will be reimbursed to the employee by the district.

Insurance Coverage

1. Insurance costs are included as part of the mileage reimbursement for employees authorized to use a private vehicle to conduct district business. It is the responsibility of the owner or driver of the vehicle to be certain that the vehicle is adequately covered by insurance.
2. The responsibility of the district for damages resulting from vehicle accidents is not the same as set forth in the district's general liability insurance policy. The employee's insurance coverage provides primary coverage when the employee is driving his/her own vehicle on approved district business.
3. All district employees operating private vehicles on approved district business are required to complete and maintain on file with the district verification of vehicle liability insurance that meets or exceeds Oregon statutory minimum limits. This verification is required prior to any district approval to conduct district business in a private vehicle. Employees are required to update their verification of vehicle liability information maintained on file with the district upon **any** change in the employee's vehicle insurance coverage.

Meals and Meetings

1. Reimbursement will be made for ordinary and necessary meal expenses incurred in the course of approved travel for district business. Meals include amounts spent for food, beverage, taxes and related gratuities. Alcoholic beverages will not be reimbursed by the district.
2. Expenses in excess of the district's established limit are ordinarily the responsibility of the employee and may be reimbursed only with superintendent approval. Receipts for all meal expenses must be secured and attached to the claim.

Reservations, Commercial Carrier and Lodging

1. Employees shall receive instructions from the business office regarding making of reservations.
2. Employees must make their own lodging arrangements, using state or federal contract rates, as appropriate. If employees are attending a conference or meeting and are staying at the official conference or meeting hotel/motel, actual lodging expenses including taxes will be covered.
3. The personal use of travel awards obtained while conducting district business constitutes personal gain from public employment and violates Oregon Revised Statute (ORS) 244.040. Any compensation such as travel coupons, free tickets, etc., given to a district employee while on district travel for any reason will be presented to the district with the Travel Expense Report, to be used to offset out-of-district travel expenses. District employees will not earn personal frequent flyer miles for airline travel taken on district time or paid for by the district.

4. If a spouse attends a conference with an employee, any difference in the room rate must be paid by the employee.

Vehicle Rentals

1. Rental vehicles may be used only when use will effect a savings or otherwise be more advantageous to the district or when the use of other transportation is not feasible.
2. Rental will be for a compact vehicle, unless the number of district employees using one vehicle necessitates other accommodations. Certain rental agencies guarantee the compact rate in all owned stations and in most licensee stations, which means that if a reservation for a compact vehicle is accepted and one is not available, a standard-sized vehicle will be substituted at the compact rate.
3. Rental vehicles will be used only for official travel or in lieu of taxi for necessary travel. Any additional costs incurred for other usage will be the personal responsibility of the traveler.
4. Employees will be informed if the district carries the rental car endorsement as part of its insurance coverage. In the event the district does not carry the rental car endorsement the employee will be authorized to purchase insurance coverage from the rental agency.

Cancelled Trips

1. If an employee cannot leave at the scheduled time, it is his/her responsibility to call the travel agency or carrier and arrange to have the tickets cancelled or exchanged.
2. Commercial carrier reservation cancellations must be made at least 24 hours before departure time, whenever possible.
3. Lodging reservations must be cancelled by the employee as soon as possible to avoid a cancellation charge.
4. If a trip is cancelled after tickets have been issued, the original tickets must be returned to the business office immediately.
