Resuscitation Decisions

The district values the contributions of all students to the overall success of all educational environments. Therefore, in the absence of a signed physician's order for life-sustaining treatment, no employee of the district shall comply with any parental request, written or verbal, for nonresuscitation of a student. Resuscitation means an attempt to restore life or consciousness after apparent death.

In a life-threatening situation, district staff will dial 911 for paramedic assistance and resuscitate any student requiring it in order to sustain life until relieved by paramedics or other appropriate medical personnel.
