(Early Dismissal)**

Dear Parents:

Please complete and return this questionnaire no later than 10 school days following the beginning of the school year. In the event of a change in address, phone number or other contact information, please notify the school office immediately.

The information is needed in event of possible early school dismissal caused by an emergency, such as severe weather, school furnace failure, etc.

If our youngsters are dismissed early from school, each will need to know whether to report directly home or to a designated neighbor.

Please discuss this with your youngster.

Thank you,

Superintendent
