Use of Private Vehicles for District Business

The Board discourages the use of private vehicles for district business, including the transportation of students. Staff will use district-owned vehicles whenever possible and should schedule activities and transportation far enough in advance to avoid any nonemergency use of private vehicles.

No staff member will use a private vehicle for district business, including the transportation of students, without written permission from the superintendent or designee. Authorization to use a private vehicle must be obtained before actual use of the vehicle. Staff members who are authorized to use a personal vehicle on district business will be reimbursed in an amount established by the Board.

No student will be allowed to perform district business with his/her own vehicle, a staff member's vehicle or a district-owned vehicle.
