Readopted: 2/11/04, 10/25/07
Orig. Code(s): The Dalles EF

Management of Food Services

The district may provide food services for students and staff. Food services will comply with state and federal laws and regulations relating to such services.

The business manager/deputy clerk, under the direction of the superintendent, will be responsible for the fiscal management of the food service program and all other aspects of the food service program.

The superintendent will report to the Board, at least annually, on the condition of the food service program and will make such other reports related to food services as the Board requests.

In keeping with health department guidelines, only food that is commercially prepared and prepackaged or prepared in an inspected kitchen shall be made available to students by the schools.
