Readopted: 5/26/04
Orig. Code(s): The Dalles IKE

Promotion and Retention of Students**

Building principals, with the assistance of licensed staff, shall recommend all grade placements of students.

Students with prior schooling outside of the district will normally be placed initially in the grade level they have reached elsewhere, but changes may be made at the time of entry in extreme cases where strong indications of advantages to the student are present.

All retentions and accelerations shall be approved by the superintendent or designee.
