Animals in District Facilities

Permission is to be obtained from the principal before animals are brought into the school. Animals must be adequately cared for and appropriately secured. Only the teacher or students designated by the teacher are to handle the animals.

If animals are to be kept in the classroom on days when classes are not in session, arrangements must be made for their care.

Animals may not be transported on a school bus.

Animals serving the disabled and dogs in training for service to the blind are accepted from this policy.
