Policy Development

The Board's policies are rules designed to organize and control its internal operations. Some policies are set by statute. Others may be formulated and adopted at its option by the Board itself, as long as they are in harmony with the intent and specifics of Oregon Revised Statutes, Oregon Administrative Rules and all federal laws and regulations.

The Board will formulate and adopt a policy safeguarding the right of Board members to be informed of and to participate fully in the discussion of each proposed new or amended policy. The Board will also provide in its policies for the adoption or amendment of its policies only after at least two opportunities to read and discuss the proposal in successive regular meetings.
