Board Member Compensation and Expense Reimbursement

The Board encourages members to attend meetings such as the Oregon School Boards Association annual meeting and other clinics and workshops on items such as collective bargaining, instruction and evaluation. The Board feels such attendance is necessary in order for Board members to keep informed on current laws and trends. The Board establishes the following guidelines on travel:

1. Due to the uniqueness of the Board's make-up and the various work schedules, each Board member will be given a travel allowance based on the number of miles to be traveled at the current IRS reimbursable rate. Mode of transportation will be the individual Board member's responsibility;
2. Lodging will be provided for each Board member by the district;
3. Per diem for all Board members' meals not provided by the conference fee will be provided by the district based on the current licensed negotiated contract.
