

# Oakland School District 1

Code: **IIBG**  
Adopted: 5/26/87  
Readopted: 12/16/97  
Orig. Code(s): 7350

## Computer Instruction

The proliferation of computers throughout American society requires that students receive instruction in their use. To ensure that maximum benefits are realized from the investment required for the equipment, the following guidelines will apply:

1. The primary purpose of microcomputers in the district will be for instruction. Included in instructional use will be CAI (Computer Assisted Instruction), CMI (Computer Managed Instruction), computer literacy and computer programming;
2. Computer users will recognize and adhere to existing copyright laws;
3. Computer hardware and software will not be removed from school premises without the permission of the building administrator;
4. All hardware purchased must be durable, use a wide range of software, be compatible with other school hardware and have readily obtainable maintenance;
5. All software must be previewed by a staff member and approved by the principal and superintendent before purchase;
6. All purchases of software will be coordinated through the media center to avoid unnecessary duplication.
