## Graduation Exercises

Because the Board believes that completion of the requirements for a diploma from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Accordingly, appropriate graduation programs will be planned by the high school principal.

All students who have successfully completed the requirements for a senior high school diploma or for a modified diploma and are in good standing may participate in graduation exercises.

Foreign exchange students with at least the equivalent of senior year standing at Oakland High School will be permitted to participate in the graduation ceremonies and receive a certificate upon the satisfactory completion of one full school year at Oakland High School.
