Attendance

The Oakland public schools are maintained for all children of legal school age who are legal residents of the district, except those who are excluded under the laws of the state of Oregon.

Goals and objectives of attendance requirements are to:

1. Contribute to the academic success of students;
2. Inform parents about the class attendance and/or nonattendance of their students;
3. Place the responsibility for attendance in the hands of students and their parents;
4. Aid students in making decisions and accepting the responsibilities and consequences resulting from those decisions;
5. Stress that punctual and regular attendance is a learned function necessary in coping with life;
6. Meet Oregon graduation requirements.

The Board directs the superintendent to develop rules and regulations which meet these objectives and to publish those rules and regulations annually for students and their parents.
