Interdistrict Transfer Students, Sutherlin School District

Students from the Sutherlin School District who have been expelled from schools in that district may make application to the Oakland superintendent of schools to attend school in the Oakland School District. Permission to attend school in the Oakland School District will be granted under the following conditions:

1. The student's parent makes application to the superintendent of schools for permission to attend school in the Oakland School District;
2. The student must not have been expelled for a violation of the federal Gun Free Schools Act of 1994;
3. The student must not have an established pattern of discipline problems. There must be reasonable expectancy that the student will not be a discipline problem while attending Oakland schools;
4. The student must agree to attend school on a regular basis, apply himself/herself to academic studies and must maintain a good behavior record. The agreement is to be in writing;
5. That the principal of the building which the student will attend and the superintendent must approve the student's admission to school;
6. The student's attendance has the approval of the Oakland School Board;
7. The term of attendance in Oakland schools will be equal to the length of time the student's expulsion from Sutherlin schools is in effect;
8. There will be no tuition charged the student;
9. That admission of any Sutherlin students is contingent upon the Sutherlin School District allowing students expelled from Oakland schools for reasons other than a weapons policy violation the same opportunity for admission to Sutherlin schools without tuition.
