Orig. Code(s): 8225

Substance Abuse

The unlawful possession, use, sale or supply of any narcotics including marijuana or any other dangerous/illegal drug, or any substance purported to be a drug, on or about the school premises or at any school-sponsored activity is prohibited.

Violations of this policy will result in suspension and/or expulsion from school. Appropriate health and law enforcement agencies may be involved in at least a consultative investigative capacity and parents will be notified.

In addition, the student will lose all rights to participate in or attend any extracurricular activities outside the school day, for a period of not more than nine weeks nor less than six weeks from the date of infraction. The building principal may reinstate a first time offender back into extracurricular activities provided the offender can show proof of obtaining clinical help to deal with the use of the substance.

Should a second violation of this policy occur while a student is enrolled in Oakland Public Schools, he/she would automatically be recommended for expulsion and would be required to appear before the Oakland Board of Directors with a parent being present.
