## **Suspension\*\***

The Board authorizes building administrators to suspend a student for one or more of the following reasons:

1. Willful violation of school regulations;
2. Willful conduct which materially and substantially disrupts the rights of others to an education;
3. Willful conduct which endangers the student or other students;
4. Willful conduct which endangers school property.

Each suspension will include a statement of the reasons for suspension, the length of the suspension and a readmission plan. No suspension shall extend beyond ten school days. The district may require a student to attend school during nonschool hours as an alternative to suspension. Every reasonable and prompt effort must be made to notify the parents of suspended students. Suspensions may be in school or out of school at the discretion of the administrator.

Students who are suspended may not attend after-school activities and athletic events, be present on district property without a parent, participate in activities directed or sponsored by the district. Students who violate these provisions may be referred to law enforcement officials and/or be subject to further disciplinary action by the district.

Students shall be required to make up all school work upon their return from the suspension.
