## Visitors to District Facilities\*\*

The Board encourages parents and other citizens of the district to visit the school and classrooms at any time to observe the work of students, teachers and other employees.

In order to assure that no unauthorized persons enter the school, all visitors will report to the school office when entering and will receive authorization to visit elsewhere in the building.

Any unauthorized person on school property will be reported to the principal or superintendent. The person may be asked to leave. Police may be called if the situation warrants such measures.

Students will not be permitted to bring visitors to school without prior approval of the principal.

All organizations wanting to visit district facilities for the purpose of providing information to students about post-secondary career opportunities must prearrange their visits with the building principal. Each building will establish a regular time and location for these visits (e.g., Each Thursday during lunch period in the school library).
