Administrative Regulations

Administrative regulations are detailed directions governing the operation of the district.

The superintendent is authorized to formulate such administrative regulations appropriate for the implementation of policies adopted by the Board and necessary for the consistent operation of the district.

Administrative regulation need not be approved by the Board, except as required by law or in cases where strong community, staff or student attitude make it necessary or advisable to have Board approval.

When approved by the superintendent, administrative regulations shall be placed in the Board's policy manual and distributed as appropriate. All such administrative regulations will be available for review upon request.

The Board may review any administrative regulation and may direct its revision if, in the Board's judgment, such regulation is not consistent with adopted policies.
