Vendor Relations

The district welcomes business and bids from all eligible vendors. No favoritism shall be extended to any vendor. Orders will be placed on the basis of quality, price, and delivery, with past services being a factor if other considerations are equal.

The soliciting of staff by salespeople or agents during on-duty hours is discouraged. Building principals may allow salespeople or agents of educational products to contact staff members at times that will not interfere with the educational program.

Advertising is not allowed in district facilities without approval of the superintendent. No employee of the district shall receive compensation of any kind from any vendor for the sale of supplies or services.
