

Ontario School District 8

Code: **IGBD**
Adopted: 06/15/95
Readopted: 8/18/10
Orig. Code(s): IGBD

Programs for Pregnant Students

The district will inform pregnant students and their parents of the student's rights to educational services as may be temporarily necessitated by their condition. The district shall also inform pregnant and parenting students and their parents of the availability of health and social services from the district, education service district or community. Services could include, but are not limited to, counseling, life skills and parenting education, child care, transportation, career development, and health and nutrition services.

Pregnant and parenting students will be provided with educational programs and schedules that address their individual learning styles and needs. Educational programs or services, or both, will be provided to address the needs of pregnant or parenting students when their education needs cannot be met by the regularly provided school program.

If a pregnant student desires to participate in an extracurricular activity, the principal may require written authorization from her doctor.

All pregnant girls meeting graduation standards shall be allowed to participate in graduation.
