Use of Feature Films or Videos**

The Board recognizes the showing of commercially produced and rated feature films or videos may have a legitimate purpose in a school's educational program. However, since the content of these feature films or Videos customarily are designed for general audience viewing, the Board feels certain precautions should be taken to ensure the showing of a particular film is consistent with the educational values espoused by the district. Generally, only films rated G, PG or PG-13 may be shown as part of the school program. The principal may approve for viewing other rated films or videos not covered by this policy as deemed appropriate. The Board directs administrative procedures be developed to accomplish this objective, including the provision that a parent have the opportunity to preview a film when practicably possible and that a parent must give prior consent before his/her student may view any film with a rating other than G. Feature films, videos or video clip from any source will not contain obscene and/or sexually explicit content or scenes.
