## **Suspension\*\***

The Board authorizes student suspension for one or more of the following reasons:

1. Willful violation of district regulations;
2. Willful conduct which materially and substantially disrupts the rights of others to an education;
3. Willful conduct which endangers the student, other students or staff members;
4. Willful conduct which endangers district property;
5. Willful conduct described in the current student handbook which identified that action as having suspension as a consequence.

Each suspension will include a statement of the reasons for suspension, the length of the suspension and a plan for readmission. No suspension shall extend beyond ten school days. The district may require a student to attend school during nonschool hours as an alternative to suspension. Every reasonable and prompt effort must be made to notify the parents of suspended students. (For student with disability refer to Board policy JGDA/JGEA – Discipline of Students with Disabilities.)

Students who are suspended may not attend after-school activities and athletic events, be present on district property without a parent and permission of the principal, or participate in activities directed or sponsored by the district.
